

Pink Nike shox r4 information

PINK NIKE SHOX R4 Information Pink Nike shox r4 are very popular these days. The Pink Nike R4 shox come in numerous pink colours.

The reason the Pink Nike shox r4 are so comfortable

is the way the Pink Nike trainers are formed. The Pink shox part of the trainers are made of four highly resilient columns. These columns work in conjunction with a Pebax moderator plate to cushion the foot and act like a trampoline.

Pink NIKE SHOX R4 Midsole & Transition wedge Pink Nike shox R4 have a full-length internal phylon midsole with forefoot Air-sole unit and transition

wedge gives a much smoother ride. The upper section of these

Pink Nike r4 has a two piece, double

layered, track inspired light weight

breathable material. The solid rubber outside of the Nike shox offers excellent traction

for these pink Nike shox r4 trainers and good durability on a variety of surfaces. www.pinksin.co.uk offers

these superb trainers at a price of only £36.99 including Free delivery.
